

Developing Structure at WCF

At our last Sunday Focus meeting I shared some of the discussion and plans that the Elders have engaged in over recent months. Here are some of the key points from that meeting along with some thoughts and comments from the conversation with the church at the Sunday Focus meeting.

- ★ Increase size of Eldership from 3 to 4-5
- ★ Develop a Departmental Team

This team could include personnel from:

- ➡ Administration
- ➡ Finance
- ➡ Sunday Programme
- ➡ Technical Production
- ➡ Music Group
- ➡ Catering
- ➡ Purchasing
- ➡ Children's Director
- ➡ Youth-work Director
- ➡ Home-Groups
- ➡ Pastoral
- ➡ Events
- ➡ Ministry Links

This team would meet monthly on a set day {eg 2nd Monday} for 90 minutes to share information and co-ordinate church life. Planning and discussion would happen outside the meeting in the departments and reported back to the meeting.

Areas like prayer and mission were mentioned. These could be included but we would assume that prayer and mission runs through the heart of everything that WCF and it's departments engages in.
